### **Motorcycle Cannonball 2012 Schedule has been deleted**

V.C.1.b Time Zones: The time of the time zone at the start of each Stage is used for scoring throughout that Stage, regardless of time zone changes (be sure, however, to reset your time after you arrive at the Stage's finish line if the time zone changes). Time zone information is given below and in the relevant Stages' Course Instructions.

- (1) Stages 1 through 3 are on Eastern Daylight Time (EDT).
- (2) Stages 4 through 7 are on Central Daylight Time (CDT), which is one hour earlier than EDT.
- (3) Stages 8 through 12 are on Mountain Daylight Time (MDT), which is one hour earlier than CDT.
- (4) Stages 13 through 16 are on Pacific Daylight Time (PDT), which is one hour earlier than MDT.

VII.B.2 Availability of Course Instructions

- a. For the Practice Run in Newburgh, New York, one set of Course Instructions will be available to each competing rider when he/she completes registration and Motorcycle Inspection.
- b. For Stage 1, one set of Course Instructions will be available to each competing rider at the 4:00 Classroom Session Thursday afternoon.
- c. For subsequent Stages (Stages 2 through 16), one set of Course Instructions for each stage will be available to each competing rider each day at the finish line the previous evening. (For Stage 8, the day after the Rest Day, one set of Course Instructions will be available to each competing rider at the finish line on Stage 7 two days earlier.) The time and location for each stage start (after Stage 1) will be found at the end of the Course Instructions for the previous stage. Each rider's official starting time is the official stage start time for his/her Class.
- d. The rider must show his/her identification tag with the motorcycle number in order to receive the Course Instructions.
